

YOUR WEDDING AT CASTLE HOUSE

Choosing the right venue for your special day is so important and Castle House has a long history of organising intimate weddings. Our professional team will work with you to ensure you have all the key essentials for your celebration.

With a licence to hold Civil Ceremonies, you can exchange vows in our beautiful, orangery-style dining room which overlooks the old castle moat.

Capture your first moments with Champagne and canapés on the garden terrace, before an elegant Wedding Breakfast in our light and spacious Waterside Restaurant and Terrace and later, dancing the night away in your own private room.

Castle House may be exclusively yours for your wedding. With 16 bedrooms in the main house and a further 8 in Number 25, our nearby townhouse, your wedding guests can be with you to enjoy the occasion to the full.

We would love to discuss your wedding with you.
